

The Maryland State Highway Administration (SHA) is proposing to construct a roundabout at the intersection of MD 234 (Budds Creek Road) at MD 242 (Colton Point Road) in Clements, St. Mary's County. The proposed improvements will include a one lane roundabout, splitter islands, and drainage improvements. Landscape improvements proposed for the project will include plantings inside of the roundabout, as well as plantings along the approach roadways. The chosen plantings will be given careful consideration to not interfere with sight distances. Improvements also include new signage, lighting, and pavement markings. The project is located within the Critical Area of the Chesapeake and Atlantic Coastal Bays.

St. Mary's County Tax Map 31

Parcels 44, 45, 57, 83,
85, 86, 107, 165

Any person wishing to request information regarding the Critical Area impacts, or submit written comments on the proposed project, may do so by contacting the project representative at the address listed below by e-mail, or fax. All comments concerning the Critical Area impacts must be received by SHA in writing no later than December 28, 2014.
