CONSTRUTION MANAGEMENT AT RISK COMPETITIVE SEALED PROPOSAL FINAL SELECTION RESULTS

The Maryland Department of Transportation State Highway Administration has made a determination that the Proposal of <u>Kiewit</u> <u>Infrastructure South Company</u> is the most advantageous to the State, considering the evaluation factors set forth in the Request for Proposals (RFP). Results are outlined below.

PROPOSER	OVERALL TECHNICAL RATING	PRICE PROPOSAL
Concrete General, Inc.	Good (-)	\$920,000.00
Corman Kokosing Construction Company	Good	\$434,000.00
Kiewit Infrastructure South Company	Exceptional (-)	\$600,000.00
Wagman Heavy Civil	Good (+)	\$377,777.77

As stated in the RFP, the Technical Proposal is significantly more important than the Price Proposal.

DEFINITIONS

Overall Technical Rating: The combined adjectival rating of the Proposer's response to the Request for Qualifications and Request for Proposals.

Adjectival Rating Definitions: The Technical Evaluation Factors and the combined Technical Proposal were rated by an adjectival (qualitative/descriptive) method. The following adjectival ratings were used in evaluation of each technical evaluation factor and the overall technical rating of the Proposal.

Exceptional: The Proposer has demonstrated a complete understanding of the subject matter, and the Proposal advances the Project goals to an exceptional level. The Proposal communicates an outstanding commitment to quality by a highly skilled team in all aspects of the Work. The Proposal outlines a strong approach to mitigating project-specific risks and inspires confidence

that all contract requirements will be met or exceeded. The Proposal contains significant strengths and minor weaknesses, if any.

Good: The Proposer has demonstrated a strong understanding of the subject matter and the Proposal advances the Project goals to a high level. The Proposal communicates a commitment to quality by an experienced team in all aspects of the Work. The Proposal defines an approach to mitigating project-specific risks with little risk that the Proposer would fail to meet the requirements of the contract. The Proposal contains strengths that outweigh weaknesses.

Acceptable: The Proposer has demonstrated an adequate understanding of the subject matter, and the Proposal meets the Project goals. The Proposal communicates a commitment to quality Work by a qualified team. Project specific risks have been identified, and the Proposer has a reasonable probability of successfully completing the Work. The Proposal contains strengths that are offset by weaknesses.

Unacceptable: The Proposer has not demonstrated an understanding of the subject matter, and the Proposal presents an approach that does not address the goals of the project. The Proposal fails to meet stated requirements and/or lacks essential information. The commitment to quality is not adequate, with Work performed by unqualified or unproven teams. Project specific risks are not addressed, and the Proposal generates little confidence that the Project requirements can be met. The Proposal contains deficiencies, significant weaknesses, and minor strengths if any.

Price Proposal: The total price of all items as listed in the Schedule of Prices.
