Public Notice

Project: **1910 University Blvd**

Subject: **1910 University Blvd – Work Associated with MDSHA Public Improvement Plan
(SHA Permit No: 22-AP-MO-037-25)**

Beginning on 08/10/2026, construction activities associated with the 1910 University Boulevard project will require temporary impacts to traffic, pedestrian access, and parking areas adjacent to the project site.

Work will consist of utility installations, infrastructure improvements, milling and paving, striping, and related site construction activities necessary to support the ongoing development. During construction, temporary traffic control measures, including signage, barricades, and flagging operations, may be implemented to safely direct both vehicular and pedestrian traffic through and around the work zone.

Construction activities are anticipated to occur between 9:00 p.m. to 5:00 a.m., Sunday to Thursday. The duration of the work is expected to be approximately 30 days, weather and field conditions permitting.

Should you have any questions regarding the construction activities, traffic impacts, or this notice, please contact: Jon Ogden (240-290-3154) or Hevert Clavijo (240-429-4929).

Sincerely,

James G. Davis Construction Corporation
