Specific street address where the work will take place

See above.

Description of the work

Install remote control valve on existing natural gas transmission line in the median of River Rd (MD 190). Remove valve in the northern lane of River Rd (MD 190) at the Goldsboro Rd (MD 614) intersection. Replace tee in the southern lane of River Rd (MD 190) at the Goldsboro Rd (MD 614) intersection. Access and use natural gas drawdown compressor across the valve in the sidewalk along River Rd (MD 190) at the Western Ave intersection.

An estimated completion date for the work

Saturday, September 14, 2024, 7:00 pm
