For the fourth year in a row, Maryland State Police and the Maryland Department of Transportation are partnering for the statewide Hunger Action Month food drive. Throughout September, MSP and MDOT will work with the Maryland Food Bank to collect nonperishable food items for Marylanders in need. From Hagerstown to Salisbury and locations in between, MSP and MDOT representatives will host events and provide food drop off locations for donations from the public.

The full list of events can be found at [MSP Food Drive Events](#) and a map of drop off locations can be found at [Food Drop Off Locations](#). Anyone who would like to donate online can visit the virtual food drive platforms at [MDOT Virtual Food Drive](#).
