

State Highway Administration FAQ

Doing Business with SHA

How do I become a vendor or contractor with SHA?

To become a vendor or contractor with SHA, start by registering with [eMaryland Marketplace Advantage](#) (eMMA) to receive contract opportunity alerts based on your business type. Review each solicitation to determine if your business meets the requirements and attend pre-bid or pre-proposal conferences to gain insights and network with potential partners. Submit a complete bid or proposal before the deadline, ensuring all requirements are addressed. Email cic@mdot.maryland.gov for assistance.

Where can I find bidding opportunities and procurement guidelines?

Bidding opportunities on SHA projects can be found at emma.maryland.gov or at bidx.com/maryland/main. Visit SHA's [Contractors Information Center here](#) to learn about procurement guidelines and additional bidding information.

Are there programs for small or minority-owned businesses to work with SHA?

Yes, please visit Maryland's [Department of Social and Economic Mobility website](#) for more information.
