MARYLAND DEPARTMENT OF TRANSPORTATION

MEMORANDUM

TO: Users of the Maryland Standard Method of Test (MSMT) Manual

FROM: Eric Dougherty, Chief,
Engineering Geology Division

DATE: March 13, 2012

SUBJECT: Revisions to the Maryland Standard Method of Test Manual

The following are revisions to the MDSHA Maryland Standard Method of Test Manual:

Additions: MSMTs: 215, 216

Revisions: Table of Contents
MSMTs: 404, 410, 414, 460, 508, 550, 561, 614, 618, 725, 730, 734

Deletions: MSMTs: 415, 417, 418, 420, 421, 423, 451, 452, 556, 557, 559

Hard copies of this Manual are no longer being printed and the Test Methods and updates will only be available at <http://www.roads.maryland.gov/Index.aspx?PageId=39>

If you have any questions or comments regarding these changes and updates, please contact Lester T. Davis at 443-572-5022.
