

Highway User Revenue (HUR) - Reporting Fiscal Year 2026
As required in 8-412 of the Transportation Article, HB 913, Chapter 286, Acts of 2015

PLEASE READ THESE INSTRUCTIONS BEFORE PREPARING THE REPORT:

1. This fillable template contains worksheets for the Jurisdiction Reporting, and includes: Page 1 with **Instructions**, Page 2 with **listing of Actual HUR Distribution for the Fiscal Year**, Page 3 **Report template for Baltimore City**, Page 4 **Appendix Report**. **PLEASE DO NOT MODIFY THE TEMPLATES FORMAT AND DO NOT ERASE THE FORMULAS.** If you have questions please contact Mr. John Hayford by phone at 410-545-5535 or by e-mail at the address provided below.
2. **The Report page, Page 3** The statutory references at the beginning of each line (e.g. 8-409 (b)(1) are to the Transportation Article.
3. **Enter the amounts in the yellow fields on the Report template. Use round Dollar amounts. Do not use decimals (Cents); otherwise, you will get a "False" result when balancing the report.**
4. For the Revenue line (b) ACTUAL, use the corresponding amount as provided in the listing on Page 2 - HUR Distribution for FY2026. For the Revenue line (b) BUDGET, enter the **most recent** HUR Estimate amount we provided to each Jurisdiction by mail. For the expenditures (Uses of HUR) on the ACTUAL column list only costs paid with HUR funds; do not include here payments done with General Fund money. Any additional cost paid from the General Fund must be listed on the Appendix Page, Page 4. On the Uses of HUR BUDGET column, list only costs projected to be paid from the Budgeted available revenue on line (c).
5. For each year, **Total Expenditures must equal Total Revenues** – there is a check line with formulas, line (o), that will evaluate to “True” when this is the case. **If you get a result of "False" your report is wrong; please review it to balance before sending the report to us. If you send your report out of balance it will be rejected for correction.**
6. **The Appendix page, Page 4** for Amounts diverted from the Local Government General Fund to pay specific projects because of shortage of HUR funding, and Projects Delayed due to lack of HUR funding **must be completed and sent to us as part of the report.** If there were no projects for these reasons, write a note on the appendix and sign it. The area for notes is designed for short notes. Please be brief.
7. **Compliance with submitting this report is mandated by Legislation, and no payment of Highway User Revenue will be made to any Jurisdiction that does not comply with this requirement.**
Transportation Article 8-412 (c) “The Administration may not make a disbursement of Highway User Revenue under 8-407 of this subtitle to any jurisdiction that has not submitted a report to the Administration as required under subsection (a)(1) of this section.”
8. The completed report must be returned to State Highway Administration Office of Finance no later than **October 21 , 2026.**

A signed copy of the completed Report is required; electronic, digital, or handwritten signatures are acceptable.

Please submit it to State Highway Administration:
