

Appendix 2 Report

Audit Period Beginning 07/01/2026 and Ending 09/30/2026

Projects exempted under Appendix 2 of the Programmatic Agreement Implementing Section 106 for the Federal-Aid Highway Program. Reports are generated quarterly and are organized by county ('AA' indicates an areawide project that may include more than one county). These projects have been reviewed under the agreement terms as having minimal potential to affect historic properties. If you have questions regarding the review for these projects, please contact Historic Preservation Division Chief Steve Archer at 410-545-8508 or SArcher@mdot.maryland.gov

County	Route	Limits	Master#	Category	Description	Project Manager & Email	Date
