

# MD 190 (River Road) Corridor Safety Study Virtual Public Meeting

## Virtual Public Meeting to Discuss MD 190 Corridor Safety Study

The Maryland Department of Transportation State Highway Administration has initiated a safety study along MD 190 (River Road) from Springfield Drive to Little Falls Parkway in Montgomery County. The purpose of the study is to improve pedestrians' and bicyclists' safety along approximately 4,000 linear feet of MD 190, which includes multiple driveways and nine intersections. The study is expected to be completed summer 2023.

## You are Invited to Attend a Virtual Public Meeting.

The virtual meeting will be held on **Thursday, September 21, 2023, from 6:30-8 p.m.** Details are available on the State Highway Administration-District 3 Web page: <https://bit.ly/MDOTSHA-D3> or by using the QR code below. You may attend by using **Microsoft Teams Live or by calling 1-443-409-5228, Conference ID: ID: 302 157 731#** on your phone. Those calling in will be able to hear the presenters and discussion but will be unable to see the presentation. We encourage you to use the meeting link posted on the District 3 Web page to view all meeting materials.

After scanning the QR code, scroll down on Web page to District 3 News for details.

During the meeting, the team will present the findings and recommendations from the study, as well as the next steps. Project team members will be available to answer study-related questions. The public is encouraged to leave comments and ask questions before and after the meeting by using the following email address: [MD190corridor@mdot.maryland.gov](mailto:MD190corridor@mdot.maryland.gov). Sending questions and comments in advance allows the study team to address them during the meeting. Attendees also will be able to send written questions and comments through the Q&A feature during the meeting.
