

Materials Management Division.

Build America Buy America

For Federally funded projects advertised after November 10, 2022, certificates of compliance with the Build America, Buy America Act will be required from product manufacturers or producers for all iron, steel, and construction materials.

OMT/MMD Steps Taken

- Categorized Materials
 - Iron and Steel, Manufactured, Construction
- Enhance the MMS
 - Document if the project has to comply when it is entered into the MMS – AME Teams (assist from OOC)
 - Document at source of supply if material meets the requirement – 1. Contractor, 2. AME Teams.

Materials Categories

Example

Specification	Parent MMS Mat. Category	MMS Material Category	Applicable?	Buy America Category
	SM Group 3 - Evaluation Before Shipment	Tubular Steel Sign Post	Yes	Iron and Steel
	SM Group 3 - Evaluation Before Shipment	Tubular Steel Anchor Base	Yes	Iron and Steel
	SM Group 3 - Evaluation Before Shipment	Metal Pipe	Yes	Construction Material
	SM Group 3 - Evaluation Before Shipment	Misc. Metal Materials	Yes	Construction Material
	SM Group 3 - Evaluation Before Shipment	Ornamental Fencing	Yes	Manufactured Product
	SM Group 3 - Evaluation Before Shipment	Specialty Metal Products	Yes	Construction Material
	SM Group 3 - Evaluation Before Shipment	Metal Hand Box and Components	Yes	Manufactured Product
	SM Group 8 - Qualified Facilities, Production Insp	Steel Frame and Cover	Yes	Iron and Steel
	Traffic Control Materials, Qualified	Rapid Rectangular Flashing Beacons	Yes	Construction Material
	Traffic Control Materials, Qualified & Temporary	Portable Rumble Strip	No	
	Traffic Control Materials, Qualified & Temporary	Temporary Steel Traffic Barrier	No	
104.00	Traffic Control Materials, Specialty Items	Speed Display Signs	Yes	Manufactured Product
104.03	Pavement Markers	Temporary Raised Pavement Markers	No	
104.04	Traffic Control Materials, Qualified & Temporary	Temporary Concrete Traffic Barrier	No	
104.04.02	Miscellaneous Materials	Vertical Panels for Median Barrier	Yes	Manufactured Product
104.06	Traffic Control Materials, Qualified & Temporary	Tubular Marker	No	
104.07	Traffic Control Materials, Qualified & Temporary	Arrow Panel	No	
104.08	Traffic Control Materials, Qualified & Temporary	Temporary Traffic Sign	No	
104.10	Traffic Control Materials, Qualified & Temporary	Temporary Crash Cushion Sand Filled Plastic Barrel	No	
104.12	Traffic Control Materials, Qualified & Temporary	Drums	No	
104.13	Traffic Control Materials, Qualified & Temporary	Barricades	No	
104.14	Traffic Control Materials, Qualified & Temporary	Cones	No	
104.17	Traffic Control Materials, Specialty Items	Temporary Movable Type Concrete Barrier	No	
104.19	Traffic Control Materials, Qualified & Temporary	Portable Variable Message Sign	No	
104.23	Traffic Control Materials, Qualified & Temporary	Protection Vehicle Attenuator	No	
104.28	Traffic Control Materials, Qualified & Temporary	Speed Display Trailers	No	
104.29	Traffic Control Materials, Qualified & Temporary	Truck Mounted Variable Message Signs	No	
104.30	Traffic Control Materials, Qualified & Temporary	Portable Traffic Signals	No	
305.03.06	Precast Concrete, Drainage Structures	Manhole Section	Yes	Manufactured Product
305.03.06	Precast Concrete, Drainage Structures	Drainage Inlet	Yes	Manufactured Product
305.03.06	Precast Concrete, Drainage Structures	Precast Concrete Endwall	Yes	Manufactured Product
305.03.06	Precast Concrete, Drainage Structures	Junction Box	Yes	Manufactured Product
305.03.06	Precast Concrete, Drainage Structures	Miscellaneous Precast Concrete Drainage Structure	Yes	Manufactured Product
305.03.06	Precast Concrete, Drainage Structures	Precast Concrete Manhole	Yes	Manufactured Product
308.02.01 / 308.03.33 / 308.04.37	Miscellaneous Materials	Filter Log	No	
308.03.33	Miscellaneous Materials	Filter Sock (Compost Sock)	No	
308.03.38	Miscellaneous Materials	Portable Sediment Tank	No	
410.03.03	SM Group 3 - Evaluation Before Shipment	Pile Tip	Yes	Iron and Steel
410.03.08 / 907.02	SM Group 3 - Evaluation Before Shipment	Pipe Pile, Steel	Yes	Iron and Steel
418	SM Group 3 - Evaluation Before Shipment	Applied Fiberglass and Epoxy Pile Wrap	Yes	Manufactured Product
418.02	SM Group 3 - Evaluation Before Shipment	Pile Jacket	Yes	Manufactured Product
430	SM Group 8 - Qualified Facilities, Production Insp	Metal Structures, Bridge Steel	Yes	Iron and Steel
431 / SPI Section 909-METALS	SM Group 3 - Evaluation Before Shipment	Steel Stud Shear Developers	Yes	Iron and Steel
432	SM Group 8 - Qualified Facilities, Production Insp	Bearings, Structural	Yes	Iron and Steel

Source of Supply - Contractor

The screenshot displays the Maryland's Materials Management System (MMS) interface. The browser address bar shows the URL: `shahanweb2/mms/MMSBrowser_BC.aspx`. The page title is "Materials Management System". In the top right corner, there are links for "Reset Password" and "Log Out". The user is logged in as "Ralph Smith (Area Material)".

The main navigation bar includes "Home" and a dropdown menu showing "PG8675188". Below this, there are tabs for "Material Sources", "Source Entry and Review" (which is active), and "Project Contacts".

Under the "Source Entry and Review" tab, there are sub-tabs for "Submission Task", "Service Providers", "Documents", and "Acceptance Requirements". The "Submission Task" sub-tab is selected.

The "Review Task:" dropdown menu is set to "Source Submission 6 (Precast Concrete Pipe)". The "Material:" field is "Precast Concrete Pipe". The "Items:" field lists three items:

- 3008 - 302415 15 INCH REINFORCED CONCRETE PIPE, CLASS IV
- 3009 - 302418 18 INCH REINFORCED CONCRETE PIPE, CLASS IV
- 3010 - 302424 24 INCH REINFORCED CONCRETE PIPE, CLASS IV

A red warning message states: "Contract is not-required to comply with the Buy America Act".

Below the items, there is a confirmation statement: "I confirm that this submission is compliant with Buy America Act:". There is a text input field for this statement.

The "Comments:" section has a text input field.

At the bottom of the form, there are two buttons: "Close" and "Create New Submission".

The screenshot shows a web browser window with the URL `shahanweb2/mms/MMSBrowser_BC.aspx`. The page title is "Materials Management System". In the top right corner, there are links for "Reset Password" and "Log Out". The user is logged in as "Evroc Goocharan (ADC - M...".

The main navigation bar includes "Home" and a dropdown menu showing "TA2805149DELETE". Below this, there are tabs for "Material Sources", "Source Entry and Review" (which is active), and "Project Contacts".

The "Source Entry and Review" section contains a "Submission Task" header. Below it, there are fields for "Review Task:", "Material:", and "Items:". A confirmation dialog box is overlaid on the page, containing the following text:

Confirmation

I understand and acknowledge that in order to fully comply with the Buy America Act additional documentation will be required and verified by the Project Engineer at the time of delivery/placement of the sourced material(s) at the project site.

At the bottom of the dialog box, there are two buttons: "Cancel" (red) and "I Confirm" (green).

Below the dialog box, there is a "Comments:" field and a "Save" button. At the bottom of the page, there are buttons for "Close", "Delete Submission", and "Create New Submission".

The screenshot shows a web browser window with the URL `shahanweb2/mms/MMSBrowser_BC.aspx`. The page title is "Materials Management System". In the top right corner, there are links for "Reset Password" and "Log Out". Below the header, the user is logged in as "Evroc Goocharan (ADC - M)". The main navigation bar includes "Material Sources", "Source Entry and Review" (which is active), and "Project Contacts".

The "Source Entry and Review" section is open, showing a "Submission Task" tab. The "Review Task:" section is visible, with fields for "Material:" and "Items:". A confirmation statement is present: "*I confirm that this submission is compliant with E...". Below this is a "Comments:" field. At the bottom of the main content area, there are buttons for "Save", "Close", "Delete Submission", and "Create New Submission".

A modal dialog box is open in the center of the screen, titled "Buy America Act Non-Compliance". It contains a section for "*Buy America Act Non-Compliance Comment:" with a large text input area. At the bottom of the dialog, there are "Cancel" and "Save" buttons.

Source of Supply - AME

The screenshot shows a web browser window with the URL `shahanweb2/mms/MMSBrowser_BC.aspx`. The page title is "Materials Management System". In the top right corner, there are links for "Reset Password" and "Log Out". Below the header, there is a navigation bar with "Home" and a dropdown menu showing "TA2805149DELETE". On the right side of the navigation bar, the user's name "Evroc Goocharan (ADC - M)" is displayed.

The main content area has a tabbed interface with three tabs: "Material Sources", "Source Entry and Review" (which is active), and "Project Contacts". Under the "Source Entry and Review" tab, there are sub-tabs: "Submission Task", "Service Providers", "Documents", "Summary", and "Acceptance Requirements" (which is selected). The "Acceptance Requirements" section contains the following information:

- Review Task:** Source Submission 77 (High Strength Bolts, Nuts and Washers)
- Material:** High Strength Bolts, Nuts and Washers
- Items:** 2001 - 200000-EA - . CONTAINER MANAGEMENT FOR HAZARDOUS SOILS - ADDENDUM NO.2
- Contract is required to comply with the Buy America Act**

Below this information, there are two confirmation questions:

- "I confirm that this submission is compliant with Buy America Act: Yes" (with a radio button selected)
- "*Is submitted source-level material along with its uploaded documentation compliant with the Buy America Act?" (with radio buttons for "Yes" and "No")

There is a "Comments:" section with a label "Assigned:". Below this, there is a section titled "Acceptance Requirements:" followed by a sub-section "Material Production". Under "Material Production", there is a heading "OMT approval of material for shipment, Structural Materials" and a radio button with the following text: "Submit Material Certification (TC 1.03 w/ Batch Specific Test Data) to `metals@mdot.maryland.gov` for review prior to delivery. If acceptable the document will be stamped by OMT and returned to the supplier to accompany the material to the project site. 1 per 1 Prior to Usage on Project".
